SBF-IES High-Level Business Mission To Poland & Czech Republic
Warsaw & Prague
21 – 26 May 2017
Profile of Participating Companies

Mission Leaders:

- Mr HO Meng Kit – CEO, SBF
- Mr YEW Sung Pei – Assistant Chief Executive, IES

Mission Secretariat:

- Ms Renee KOH – Deputy Director, SBF
- Ms GAN Jing Wen – Manager, SBF
- Ms Elena LEE – Centre Director, IES
- Ms Carmen HUANG – Manager, IES

1.	**DBS BANK LTD** www.dbs.com **Sonia Wedrechowicz** Managing Director Tel: (65) 6878 8888 Email: soniaw@dbs.com	DBS is a leading financial services group in Asia, with over 280 branches across 18 markets. Headquartered and listed in Singapore, DBS has a growing presence in the three key Asian axes of growth: Greater China, Southeast Asia and South Asia. The bank's "AA-" and "Aa1" credit ratings, is among the highest in the world. DBS is at the forefront of leveraging digital technology to shape the future of banking, and has been named "World's Best Digital Bank" by Euromoney. The bank has also been recognised for its leadership in the region, having been named "Asia's Best Bank" by several publications including The Banker, Global Finance, IFR Asia and Euromoney since 2012. In addition, the bank has been named "Safest Bank in Asia" by Global Finance for eight consecutive years from 2009 to 2016.	DBS' strategy is predicated on Asia's megatrends, including the rising middle class, growing intra-regional trade, urbanisation, and the rapid adoption of technology that is fuelling new innovations. They seek to intermediate trade and capital flows as well as support wealth creation in Asia. Their established and growing presence in Greater China, South Asia and Southeast Asia makes us a compelling Asian bank of choice. They have three core business segments: institutional banking, consumer banking / wealth management and treasury. In Singapore, they serve all customer segments. Outside Singapore, they traditionally focus on affluent individuals, corporates	• Polish Fintech companies and the regulators

		DBS provides a full range of services in consumer, SME and corporate banking. As a bank born and bred in Asia, DBS understands the intricacies of doing business in the region's most dynamic markets. DBS is committed to building lasting relationships with customers, and positively impacting communities through supporting social enterprises, as it banks the Asian way. It has also established a SGD 50 million foundation to strengthen its corporate social responsibility efforts in Singapore and across Asia.	and institutional investors. Going forward, DBS hopes to leverage digital technologies to extend their reach to individuals and SMEs outside Singapore.	
2.	**JURONG COLD STORE (JCS)** **JCS SHRIMPS PTE LTD** www.jurongcoldstore.com www.jcsshrimps.com **Belinda Lee** Director Tel: (65) 6268 2335 Email: mrslee_sias@yahoo.com.sg	Serving customers for more than 20 years, Jurong Cold Store (JCS) is a fast-growing cold chain logistics and warehousing services company for the Food & Beverage Industry. JCS operates a 15,000-pallet, 45m high bay fully automated warehouse which is also the tallest cold store in Asia. They are the first cold chain logistics provider to incorporate cutting edge technology – Automated Storage and Retrieval System (ASRS) which allows for 100% inventory management accuracy and traceability with real-time information.	• Offering 3PL services, with tailored end-to-end supply chain logistics capabilities, JCS manages clients' goods and produce from transportation, warehousing, storage, right up to point of sale. Whether to Singapore or overseas, they help move your products the way you want it.

12.	**BEYONICS PTE LTD** www.beyonics.com **Scott D. Smith** Chief Executive Officer Tel: (65) 6349 0600 Email: enquiry@sg.beyonics.com	Founded in 1981, Beyonics is a leading precision engineering, electronics and plastic parts manufacturing firm with deep expertise in deep-drawn metal stamping, aluminium die-casting, plastics injection molding, precision machining and commercializing & manufacturing electronics assemblies. Beyonics has developed a strong track record across multiple industries, with pillars of excellence in the automotive, medical, industrial, and consumer sectors. With its headquarters in Singapore and more than a dozen total factories located in Malaysia, Thailand, China, and Singapore, Beyonics is known for its sound technical knowledge, rigorous quality management and responsiveness to customers - a reputation built over its 30-years of history.	Beyonics is a strategic and vertically integrated manufacturer with two distinct core business divisions. Beyonics Precision Parts Beyonics manufactures precision-engineered components. Beyonics has deep expertise in plastic injection molding, aluminium die casting, precision machining and deep-drawn metal stamping. Beyonics Manufacturing Solutions Beyonics offers full turnkey electronics sub-assembly and complete product manufacturing. Beyonics provides an integrated range of design, production, engineering and fulfilment solutions. Their core capabilities include: • Plastic Injection Molding • Precision Metal Stamping • Aluminium Die Casting • Cnc Machining • Mold Design & Manufacturing	Beyonics is very interested to setup meetings with companies and matter experts to understand the manufacturing landscape, capabilities and technologies available as well as review potential business opportunities within the automotive, medical and industrial market in Poland and the Czech Republic. Furthermore they would like to explore cooperation/partnership possibilities with local precision machining and electronics manufacturing companies for businesses in Europe and Asia as well as potential investment opportunities through M&A, JV and Greenfield locally.
